Success R-VI School District utilizes several computer software applications and web-based services, operated not by Success R-VI District, but by third parties. These include Chalkable, Lumens, Google, IXL, Renaissance, Aimsweb and similar educational programs. A complete list of the programs with the privacy policy for each can be found at our website at success.k12.mo.us.   In order for our students to use these programs and services, certain personal identifying information, generally the student's name and email address, must be provided to the web site operator.
