## HISTORY OF SUCCESS R-VI SCHOOL

On May 29, 1959, the newly constructed Success School building was officially dedicated. Several area schools: Ellsworth, Ellis Prairie, Gladden, Dunn and Timber Ridge, consolidated to form the new school district, Success R-VI. The cost of the construction for the new school was \$90,000. Members of the community serving as board members were: Roy Huff, Wilbert Smith, Howard Wade, Wilford Sliger, Clifford Jackson, and Jasper Garrett. In August 1959, Success School opened its doors to approximately 120 students. With only six classrooms, many of the classes were combined. Faculty consisted of Ronnie Stallcup, Dora Mace, Elizabeth Corbit, and Ruth Massey. Clea Smith worked as the secretary. The school colors and mascot were chosen by the student body. In December 1959, the Hawks were invited to the Houston Basketball Tournament for the first time. The Hawks defeated Houston (33-30) to win the championship. Members of the team were: Butch Cummins, Jerry Bay, Roger Shelton, Roger Bolderback, Earl Price, Dewayne Hayes, Albert Foxworthy, Larry Huff, Terry Huff, and Ronnie Stallcup, coach. The first school carnival and pie supper was held on November 16, 1959, with proceeds benefiting the school. Many improvements have been made to the school over the years including new classrooms, a cafeteria, principal's office, bus barn, and a new roof. Originally, the school had only six classrooms. Today the school has twelve classrooms, a library, a cafeteria and 110 students enrolled. Since 1959, there have been hundreds of students who have graduated from Success R-VI. Some have moved across the United States, even the continent, while others have stayed close to home.

## CHANGE OF INFORMATION

Please notify the school of any changes in telephone numbers or addresses. Telephone numbers to call in case of emergency are most important. Current information in the event that a child is injured or becomes very ill can reduce the time required to appropriately address your child's problem.

## STUDENT DIRECTORY INFORMATION

We (office, staff, and administration) will not release any information about you or your child, except that which is required by state law. This is for your safety as well as your child's. Board of Education policy does allow "directory information" to be supplied for newspaper articles regarding awards received, photographs and other similar information without the consent of the parents/guardians. *Parents/guardians have **the right to refuse** to permit the release of any and all directory information to any outside source.* The request must be made in writing addressed to the building principal. The following information is considered directory information: name, address, telephone number, date and place of birth, participation in activities, weight and height of athletes, dates of attendance, awards received, previous school attended, and photographs.

## CURRICULUM

The program in grades 6 through 8 is a departmentalized instructional system. Students will change classrooms and teachers. Basic courses consist of reading, arithmetic, spelling, language, social studies, science, art, writing, vocal music, technology instruction, careers, library, and physical education. Scheduling for special instruction is done at a time when students will miss the least amount of educational interaction in the regular classroom to respect the least restrictive environment mandates.

## **MOCAP**

### **What is MOCAP?**

Missouri Course Access and Virtual School Program (MOCAP) was established in 2007 as the state's online school. MOCAP offers courses grades K-12. Students can take courses from any Internet-connected computer, available 24-hours a day, seven days a week. MOCAP's mission is to offer Missouri students equal access to a wide range of high quality courses, and interactive online learning that is neither time nor place dependent.

Success School District embraces online learning opportunities such as the Missouri Course Access and Virtual School Program which are overseen by the Missouri Department of Elementary and Secondary Education and the State Board of Education.

### **Why do we need MOCAP?**

MOCAP allows Missouri to:

- Expand the range of courses and opportunities offered to students
- Offer courses for students when there are no qualified teachers to teach the course
- Allow students to take a course not offered at the local school district
- Provide courses for students who have schedules that prevent them from taking a course when it is offered. MOCAP offers "any time, any place" learning for Missouri students.
- Present high quality instruction to students who are in alternative education settings
- Provide additional support and extended time to students who failed to achieve in regular courses
- Provides equity across programs and schools in the quality of instruction

### **How are MOCAP classes structured?**

MOCAP students are guided through courses by Missouri-certified teachers. Courses are delivered over the Internet. To assure student success with online learning, a variety of technology resources (streaming audio and video, computer animations, email, live chats, etc.) are provided. Teachers communicate with students and parents on a regular basis via email, phone, online messaging, etc.

### **Who administers the MOCAP online program?**

The Missouri Department of Elementary and Secondary Education (DESE) oversees the administration of the MOCAP program. Local school districts and charter schools are responsible for enrollment, monitoring progress of students, billing, and state assessments.

### **FAQs**

Parents or students interested in online courses should work with the school counselor to create the best plan of action for the individual student.

## IMMUNIZATIONS

As required by Section 167.181 of Missouri School Laws, it shall be the duty of the parents or guardian of every pupil hereafter entering public school, to furnish to the building principal upon enrolling satisfactory proof that the pupil has been immunized, or that the immunization process is being accomplished in accordance with the rules and regulations of the State Department, or within such time, to furnish the principal his/her written objection to the immunization of the pupil based on the physician's notice or due to the students religion. **No student infected with a contagious disease will be permitted to attend school.**

## MEDICATION RESTRICTIONS

School personnel are not permitted to give any medication to any child unless written parental permission is presented to the school. Clear dispensing information is to be provided by the parent or doctor. (For example: name of child, name of medication, dosage to be given). Nurse or front office only!

## MEALS

Our school provides a nutritionally balanced meal, which meets federal standards and includes one half-pint of milk. Our school participates in the Community Eligibility Program. In the 2019-2020 school year **all students who attend our school will be provided with a free breakfast and lunch daily.**

We are required to serve a Type A lunch (scheduled hot lunch) to all students unless they have been exempt from eating certain foods. To be excused from being served required foods, a student must have an exemption form signed by a doctor

## Preschool and Kindergarten Snack Milk

Preschool and Kindergarten students will be eligible to receive a snack milk for a charge of .35 cents per day. **Students must be paid 1 week in advance** to receive the snack milk. **Students who do not have money paid in advance will not receive a snack milk until payment is made. Snack milk will begin being served on August 19, 2019.**

## PARENTS AS TEACHERS

Parents As Teachers (PAT) is a free and voluntary early-learning program for parents and guardians with children, birth to age five, offered through Success School District. PAT offers personalized visits, group meetings, information and guidance, periodic screenings, and a resource center. All parents and guardians are encouraged to participate in this program. We believe these types of experiences and activities can help your child develop skills necessary for successful entry into Kindergarten. For further information about this program, please contact Shannon Smart at 967-2597.

## PHYSICAL EDUCATION

All students are required to participate in physical education activities unless excused by a physician. Parents or guardians may temporarily excuse a student from participating on a daily basis. Required physical education credit must be achieved by participating appropriately in class activities and following class rules. If a student does not receive a passing grade, they may not be promoted without the state required physical education credit. Students may be required to wear proper gym shoes on the gym floor and dress out for gym class.

## TECHNOLOGY

Part of the school district's responsibility in preparing our students for the 21<sup>st</sup> century is to provide them with access to the tools they will be using as adults. We accept the responsibility for teaching your student about his or her role as a "network citizen" and the Appropriate Use Policy involved with the new global community. Please review the agreement with your student, sign and return it to the school. *Each student must have the Internet Acceptable Use Policy Release on file in the office.* If you have any questions, please contact the school at 967-2597.

## TRANSPORTATION POLICY

The bus driver has complete charge of the bus and the students riding. **The bus driver's authority is comparable to that of the teacher in the classroom.** The right of any student to ride the bus depends upon his or her behavior and observing of rules and regulations. Pupils **must** be on time since the bus cannot wait in order to stay on schedule. Students also need to keep safety in mind and remember to stay off the road while waiting for the bus. Revised bus rules as follows:

- Seats will be assigned
- Remain properly seated until the bus comes to your stop. Do not reach over or under seats.
- Keep your hands and head inside of the bus.
- Nothing will be thrown from the bus, while parked or while moving.
- Treat other people with respect, keep your hands, feet, and objects to yourself. Bus property will be replaced by students (or their parents) when it is vandalized or destroyed.
- No gum, candy, food, or drink allowed on the bus unless authorized by the driver.
- Do not leave your trash on the bus.
- Do not distract the driver with loud talking, distracting behavior or noise from electronic devices such as games or cell phones.
- No Photos shall be taken by use of a cell phone, camera or any other device while the bus is in operation.
- No tobacco products (or other unauthorized substances) are allowed on the bus.
- Students who ride the bus to Success School before or after school will not be permitted to exit bus and take rides with other parties.
- No abusive language / bullying / hazing.
- No verbal or non-verbal obscenities.
- No unnecessary roughness/ horseplay.
- No public displays of affection (inappropriate behavior includes, but is not limited to: - touching, kissing, sexual talk of any kind, sliding down in the seat where a driver cannot see you, etc.).
- Insubordination (backtalk or attitude) will be punishable.
- Non-defiant failure to carry out directions will be punishable.

**If a student chooses to break any of the rules, the following revised consequences will be applied depending on the severity of the incident:**

- **First incident** consequences will be dealt with by a verbal warning, change of seating, written notification to parents.
- **Second incident** consequences will be dealt with by a written notice to parents and bus privileges suspended for at least 3 days (or 3 swats may be given with parental consent) at the administrator's discretion.
- **Third incident** consequences will be dealt with by a written notice to parents and bus privileges suspended for at least 10 days.
- **Final Offense** consequence will be loss of bus privileges. Parents will have to make other arrangements for student to be transported to school.

## **Additional Information:**

Each student is classified according to state law as a “bus rider” or a “walker.” Students living over 1 mile from the school are “bus riders.” The student will always be sent home via the normal way and will not be allowed to get on or off the bus except at their regularly designated place unless the parents send different instructions to school in writing or by phone, preferably before 2:00 p.m. **Any request for change of destination after 2:30 will not be allowed.**

### ***Notice to Students and Parents Regarding the Use of Video Recorders on School Buses***

The district has installed video-recording equipment on all school buses to monitor school transportation and will be videotaping on bus routes during the school year. Students found in violation of the district’s bus conduct rules will be notified and disciplinary action will be initiated under the Board mandated transportation policy above. Videotapes will be treated as protected student records under the Family Educational Rights and Privacy Act. Parents who wish to view a videotape in response to disciplinary action taken against their child may request to view the videotape at the administrator’s discretion. Persons unrelated to a disciplinary incident will not be permitted to view bus videotapes.

For the Honor Roll, students must maintain a GPA of 3.0 to 3.74 in core subjects. Only grades in the following core subjects will be considered: Spelling, English, Reading, Math, Science, and Social Studies. Citizenship and attendance may also be taken into account. **The valedictorian will be chosen using the GPA from the student’s 7<sup>th</sup> and 8<sup>th</sup> grade years.**

## **CONFERENCES**

Conferences are held in the fall so that parents may visit with the teachers about first quarter grades. We always look forward to seeing all parents and hope that if there are questions about grades, these may be answered at that time. Parents are encouraged to contact teachers at any time during the year if they have questions. All of our teachers welcome communication and parental involvement in the classroom year-round.

## STUDENT ATTIRE

All clothing should be neat, clean, and proper. The appearance of students should be based on good taste and in accordance with the standards of our school and community. Students should dress in a manner conducive to good behavior and the creation of a good educational atmosphere in the school. *The school administration shall have the right to designate which types of dress or appearance disrupt or detract from the educational program and may be a potential safety hazard.* The dress code will include the following:

- The wearing of shirts and blouses appropriately buttoned in accordance with the design of that shirt or blouse. Transparent, see-through tops, bare midriff, strapless, low-cut clothing or tops, or outfits that provide only minimal coverage will not be allowed. Tank tops and muscle shirts that are designed for athletic activities not allowed unless worn over a t-shirt.  
\*Exception – Pre-k through third grade students will be allowed to wear tank tops in appropriate weather.
- Shorts must be hemmed and at least fingertip length or to mid-thigh (teacher/administrator discretion)
- Students must make sure they are dressed appropriately for the weather.
- The wearing of hats in the building is prohibited.
- No baggy pants will be allowed that show undergarments. If undergarments are showing, the student attire is unquestionably inappropriate.
- Clothing containing slogans or advertising, which by their controversial or obscene nature disrupts the educational setting, is prohibited. Example – t-shirts that advertise beer.

*The administration shall retain the authority to grant exceptions for special occasions and/or conditions.*

- Minimum consequence: Parent /principal /student conference; change of clothing.
- Maximum consequence: 1-3 days after school detention

## ATTENDANCE

- **Regular attendance is required and in accordance with policy, attendance credit is required for promotion regardless of grades. Parents should notify school officials by phone at 967-2597 prior to 9:00 a.m. the morning of the absence.** Written verification will be accepted from students who have no phone. If no contact has been received by 9:00 am, parents may be contacted at home or work to verify the absence.
- **Attendance is recorded by the number of minutes** a student attends each day the school is in session. **Therefore we strongly discourage students being checked out early unless it is a necessity.**

It is understood that a few absences from school may be necessary throughout the course of a school year. However, every effort should be made by students, parents/guardians, teachers and administrators to keep absences to an absolute minimum. When a student misses a day of school, despite the reason for the absence, the educational loss from missed instruction and classroom discussion cannot be entirely made up. The District strongly encourages parents of students absent from school are allowed the same number of days to make up work as the number of days absent. Reasonable consideration will be given to encourage completion of work. Parents, guardians, students, teachers, and administrators continually work together to ensure the policies and procedures adopted for the district are carefully planned and fairly, consistently, equitably administered and routinely evaluated. Should concerns develop during the school-year, the principal will schedule a conference with all concerned parties to resolve the issue.

**“Excessive absences” is defined as 6 absences in a single semester or 12 absences in one school year.** To keep the student and their families informed the following procedures will be implemented to ensure compliance.

1. **5 absences per semester: a letter will be sent to parents** informing them of the number of days their child has missed and outlining the district attendance policy.
2. **7 absences per semester: a second letter will be sent to the home stating the student will be required to attend the next date for Saturday School.** A parent conference is suggested at this time. The Board of Education will be notified during the next board meeting of the student’s attendance record.
3. **When absenteeism reaches 16 days per school year,** the student's situation shall be turned over to the attendance committee for future action.
  - At the request of Texas County Juvenile Office, the parent or guardian shall be reported their agency for non-compliance with the Missouri Compulsory Attendance Law 167.031, unless there are special circumstances in which the administration or attendance committee grants a waiver. Additionally, the student must attend assigned Saturday School days and may be assigned to pass summer school to move to the next grade level. The Attendance Committee has the ability to waive summer school if the absences were due to major medical problem and the student is at grade level in all areas.

## **TRUANCY**

Truancy is when a student does the following:

- Is absent from school without the knowledge and consent of their parents/guardians and school administration.
- Comes to school, but does not attend classes or authorized activities
- Leaves a classroom without teacher permission.
- Leaves school grounds without parent and school administration permission.
- Obtains permission from a teacher or the office to go to a certain place on campus, but does not go there.
- Brings a parent-signed note that is forged or gives a false reason for the absence.

Minimum consequence: 3 Days ISS

## **TARDINESS**

Classes begin at **8:00 a.m.** We ask that parents and guardians help to see that students are here on time.

### **Departmentalized Classes Grades 6-8**

Grades 6-8 will have 3 minutes to change classes, use the restroom, get a drink etc. Students who are excessively late to class will be considered tardy and asked to get a pass from the office to return to class. When a student receives 2 tardies in a 5 day period, they will be assigned to afterschool detention.

1. 2 Tardies - 1 Afterschool Detention - Notice sent home

In addition, consequences for tardiness will be managed as outlined in the Discipline Policy of the District.

## LEAVING SCHOOL

Authorized persons wishing to pick up or communicate with a student who is in class must report to the office. Office personnel will call the student to the office from the classroom. This is designed to protect the rights of every student from disruptions to their instructional time. Safe schools such as ours allow only school personnel throughout the building during the school day. Parents and guardians must check in at the office before proceeding into the school. Students cannot be pulled from educational time for non-emergency phone calls. A message will be taken and, if necessary, the student will be allowed to return the call during his or her break time.

Anyone requesting that a student be released to them during school hours must sign the student sign-out sheet. Prior notice of student pick-ups is appreciated. Students will be released only to a parent/guardian, or a person designated (in writing) by the parents.

## STUDENTS RIDING TO SCHOOL WITH PARENTS

Our busses arrive at 7:27 a.m. and leave at 3:30 p.m. Between these times we have a teacher assigned to supervise students. Teachers are not available to supervise before or after these times. **Students should not arrive at school before 7:30 a.m. and should be picked up by 3:30 p.m.** Breakfast is available from 7:33 a.m. to 7:55 a.m. Students arriving after this time will not have the opportunity to eat breakfast.

Upon arrival students will need to go to the following areas:

**7:30 - 7:47** Grades K-4 Cafeteria , Grades 5-8 Playground.

**7:47 - 7:55** K-4 Playground , 5-8 Cafeteria

## TRANSFERS

If during the school year it becomes necessary for your child to transfer from Success School to another school, please notify the school office as soon as possible. Your child's records will be sent to the new school upon request, but you should take a copy of the immunization records. Missouri law requires proof of proper immunization before a child is allowed to attend school.

## DISMISSAL OF SCHOOL-Inclement Weather

The Superintendent of School may dismiss school due to inclement weather or other emergencies. Please prepare your children with instructions for early dismissals. Dismissals will be announced through our School Reach Program. It is important that you provide a current phone number where you can receive these messages. In addition we will post cancellations on the Springfield TV stations (KY3 and KOLR10), Big Country 99 in Houston, Rolla radio station KZNN. Notification will occur as soon as a decision is made.

## USE OF BOOKS / USE OF SCHOOL PROPERTY

Each student will receive textbooks for instruction. Students are responsible for taking care of their textbooks. Lost or damaged books should be reported as soon as possible. Students may be asked to replace, at their expense, a lost or damaged book. School property belongs to the tax-payers of this district. Pupils are responsible for equipment or other property used by them, and students will be expected to replace that which is lost or damaged.

## USE OF ELECTRONIC DEVICES

### CELL PHONE POLICY

Cell phones have become a way of life, a technological convenience that has impacted all of our lives in one way or another. However, in the school environment, cell phones have become a distraction, interruption, and a method of illegal exchange of information. The ringing of the cell phone during class or the text-messaging takes away from the valuable time needed for instruction and most importantly, student learning.

We do recognize that cell phones can be a safety/security tool; however, they can be a detriment in the event of a building emergency and in our protocol to manage such emergencies in a safe and effective manner. Parents are urged to utilize the school phone (967-2597) to relay any messages that may be urgent in nature to their child. We will do our best to relay any urgent information to your child. With this in mind the following changes to previous policy been approved but the Success Board of Education and will be implemented.

**Cell phones must be off AND checked in the office as a student enters the building.** A Cell Phone locker will be assigned for students cell phone for safe keeping while school is in session.

**No student will be allowed to possess or use a cell phone during the hours of 7:30 a.m. to 3:30 p.m.** If a student is found to be in possession or use of a cell phone, the phone will be confiscated, placed in a labeled envelope, and delivered to the office. The consequences will be as follows:

- 1st offense:** • Cell phone will be held in office, parents notified and student assigned to afterschool detention.
- 2nd offense:** • Cell phone will be held in office, a parent or guardian will come and sign for the phone. Student will be assigned to 2 afterschool detentions.
- 3rd offense:** • Cell phone held in office, parent or guardian will sign for the cell phone and the student will be suspended for 3 days.

Additional offenses will be considered an act of insubordination. Additionally, a student that refuses to comply with a request to surrender their cell phone by any member of the faculty or staff and/or administrator, will be considered insubordinate. Rules governing insubordination will apply as outlined in the student handbook.

## EXTRACURRICULAR ACTIVITIES

Any students desiring to participate in extracurricular activities (sports and clubs) must meet the following criteria:

- Students must be in class for 4 full hours on the day of an event to play, participate, or attend unless approval by the principal has been granted. Students who miss class on the date of a contest without being excused by the school Principal will not be considered eligible on that date.
- Students must be in class for 4 full hours on Friday in order to play, participate or attend an activity on Saturday unless approval by the principal has been granted. Students who miss class on the Friday before the activity on Saturday without being excused by the school Principal will not be considered eligible on that date.

- **Students that have absences that exceed 6 days per semester will not be eligible to participate in extracurricular activities without prior approval from the Principal.**
- **Students in grades 5,6,7,8 who have any grades lower than 70% in any class will not be permitted to participate in games. Grades will be checked on each Monday during the sport season.**
- All students must have satisfactory physical examinations from a doctor on file with the school.
- Student participants must be covered by accident insurance provided by parents or guardians, and policy information must be on file before students will be allowed to participate.
- **Students who have more than 4 discipline referrals per semester will not be allowed to participate in any extracurricular activities until such time as citizenship has improved.**
- **Students who have been assigned to serve in ISS, OSS, Afterschool Detention, or Saturday School will not be permitted to participate in any extracurricular activities until they have served their time.**

Ball players and cheerleaders are to ride the bus to away games. Any student wishing to ride home with his or her parents may do so by simply having the parent or guardian inform the sponsor **and** sign the sponsor's sign-out sheet. Arrangements for students riding home from away games with anyone other than parents or guardians must be made through the central office prior to 3:00 p.m. on the day of the event with parents/guardians providing written, signed permission.

## **STUDENT SUPERVISION AT EXTRACURRICULAR ACTIVITIES**

For safety and security reasons, *all students must remain inside the building* after arriving for a game or activity. Children should be supervised at all times by parents and not allowed to roam the halls or playgrounds. Children will not be allowed to block entrance/exit areas, congregate in halls, restrooms or outside the building. If students are unable to follow these rules, they will be asked not to attend future events.

## **DELIVERY OF ARTICLES TO SCHOOL**

Parents who wish to bring a forgotten item to school should deliver the item to the office. Parents are asked not to deliver articles directly to the classroom as this interrupts the student's instruction. Students may pick up delivered items from the office between classes or at recess time.

## **EMERGENCY DRILLS**

Emergency drills are held periodically during the school year. Teachers will give instructions regarding places of safety or shelter and the emergency route to use. All students are to remain with their class during a drill and are to walk in an orderly fashion to their designated area of safety.

## **USE OF TELEPHONE**

The primary purpose of the school telephone is to conduct school business. The lines must be kept open. Students are not allowed to use the phones unless there is an emergency, and the student has approval of the principal. Students are responsible for supplying all needed items for school prior to their arrival on the premises. Please allow your child to handle the consequences of forgotten books, assignments, etc. This helps the child develop responsibility and learn accountability.

## **GENERAL CLASSROOM RULES**

**STUDENTS ARE NOT TO DISRUPT THE TEACHING – LEARNING PROCESS IN ANY WAY AT ANY TIME.**

Disruptions of the learning process will not be tolerated. Mild disruptions will be handled by the classroom teachers by such methods as rearrangement of seats, informal conference, assignments of additional work, removal from the group, etc. If disruptions continue, the Principal will be contacted, a discipline referral written, and parents notified. ## **SUCCESS R-VI SCHOOL DISTRICT DISCIPLINE POLICY**

The Board of Education of the Success R-VI School District recognizes the importance of standards of discipline to the maintenance of an atmosphere where orderly learning is possible and encouraged. Toward that end, the following District Discipline policy is established.

1. Students in the Success R-VI School District shall conduct themselves in a manner conducive to a good learning environment and in a manner that exemplifies orderly and neighborly conduct.
2. All school district personnel responsible for the care and supervision of students are authorized to hold every pupil strictly accountable for any disorderly conduct in school or on any property of the school, on any school bus going to or returning from school-sponsored activities, or during intermission or recess period.
3. Students who fail to comply with these standards shall be subject to reprimand, and/or loss of privileges, and/or paddling, and/or temporary or permanent dismissal from school. Parents and guardians will be notified of major disciplinary action taken in regard to their children.
4. Handicapped students will be expected to adhere to the Discipline policy. Exceptions due to handicapping conditions will be noted in the student's Individual Education Plan.
5. Actions taken under paragraph 3 of this policy may be appealed first to the Superintendent of Schools and then to the Success R-VI Board of Education.

The District Discipline Policy established by the Success R-VI Board of Education is general in nature due to:

1. The need for teachers, principals, and the superintendent to have latitude in all matters of discipline.
2. The developmental differences which exist between elementary school and middle school students, requires disciplinary action unique to each level.

In order to provide some guidance for personnel responsible for administering the District Discipline Policy, the Board adopts this Discipline Policy. No policy can be expected to list each and every offense which may result in the use of disciplinary action. However, it is the purpose of this policy to list certain offenses, which if committed by a student, will result in the imposition of a penalty within the limits of the District Discipline Policy. Penalties are suggested in the codes for each offense, or repetition thereof, but imposition of penalty is at the discretion of the personnel responsible for administering the code.

In addition, parent, student, teacher conferences may be exercised for any school rule infraction.

**Corporal Punishment:** In the Fall of 2008 the Success R- VI School District reinstated Corporal Punishment (paddling) as a means of consequence. The principal will alert the parent and will seek parent permission prior to punishment.

**Excessive Discipline Referrals: A student who amasses 4 or more discipline referrals during a semester is not conforming to the desired behavior requirements in the Success R-VI School District. Continued poor behavior shows a student's lack of cooperation.** As referrals continue to be written on an individual student, the administrator will have the discretion of determining the appropriate actions necessary to ensure the proper climate for education is maintained in the school building, including expulsion and alternative school.

**Violation of the Law:** If the violation of any school rule should also involve the violation of the law, school officials will notify the appropriate law enforcement officials. Any action taken by the law enforcement officials will be in addition to any action taken by the school.

## **STUDENTS' RIGHTS AND RESPONSIBILITIES**

The Board of Education believes that students have rights that should be recognized and respected. It also believes that every right carries with it certain responsibilities. Among these student rights and responsibilities are the following:

- The right to attend free public schools; the responsibility to attend school regularly and to observe school policies, rules and regulations deemed essential for permitting others to learn at school.
- The right to a quality education; the responsibility to put forth the best efforts during the educational process.
- Civil rights -- including the rights to equal educational opportunity and freedom from discrimination; the responsibility not to discriminate against others.
- The right to free inquiry and expression; the responsibility to observe reasonable rules and regulations regarding these rights.
- The right to due process of law with respect to suspension, expulsion, and decisions that the student believes injure his or her rights.
- The right to privacy, which includes privacy with respect to the student's school records.

It is the Board's belief that, as part of the educational process, students should be made aware of their legal rights, and of the legal authority of the Board to make and delegate authority to its staff and to make rules and regulations regarding the orderly operation of the district schools. If the policy guidelines adopted by the Board are to be successful, it must be understood that school officials and teachers have the authority to

interpret and apply policy in a given situation. Students must obey any such interpretation, subject to an appeal.

Schools must be places where students are encouraged to learn. Standards of conduct are established by the Board of Education to create an environment in which each student's right to learn is protected.

Students and their parents or guardians will be notified of their rights and responsibilities, including standards of conduct, through handbooks distributed annually. When the rights and responsibilities of individuals are clearly understood, the elements of respect and cooperation will result in the harmonious and constructive education of the student.

## **NOTICE OF NONDISCRIMINATION**

Applicant for admission and employment, students, parents of elementary and secondary school students, employees, sources of referral of applicants for admission and or employment with Success R-VI School District are hereby notified that this institution does not discriminate on the basis of race, color, national origin, sex, age, or disability in admissions/access to or treatments/employment in its programs and activities.

### **GRIEVANCE PROCEDURE**

Students, parents of students, or employees have the right to file a formal complaint alleging noncompliance with regulation outlined in Title VI of the 1964 Civil Rights Act, (not required by federal regulations but recommended as good administrative policy), Title IX of the Education Amendments of 1972, and Section 504 of the Rehabilitation Act of 1973.

#### **Level One:**

Principal / Superintendent (Informed and Optional, may be by-passed by the grievant.) Employees with a grievance of nondiscrimination on the basis of sex, race, national origin or disability may first discuss it with their principal or immediate supervisor, with the sole objective of resolving the matter informally. A student of parent with a complaint of discrimination on the basis of sex, race, national origin or disability may discuss it with the teacher, counselor or building administrator.

#### **Level Two:**

If the grievance is not resolved at Level One and the grievant wishes to pursue the grievance, they may formalize it by filing a written complaint on a Compliance Violation Form, which may be obtained from the Title IX and Section 504 Coordinator(s). The complaint shall state the nature of the grievance and the remedy requested. The filing of the formal written complaint at Level Two must be within fifteen (15) working days from the date of the event giving rise to the grievance or from the date grievant could reasonably become aware of such occurrence. The grievant may request that a meeting concerning the complaint be held with the Title IX and Section 504 Coordinator(s). A minor student may be accompanied at the meeting by a parent or guardian. The Title IX and Section 504 Coordinator(s) shall investigate the complaint and attempt to resolve it. A written report from the Compliance Officer regarding action taken will be sent within fifteen (15) working days after receipt of the complaint.

**Level Three:**

Board of Education. If the complaint is not resolved at Level Two, the grievant may proceed to Level Three by presenting a written appeal to the President of the Board of Education within ten (10) working days after the grievant receives the report from the Compliance Officer. The grievant may also request a meeting with the Board of Education. The Board of Education has the option of meeting with the grievant to discuss the appeal. A decision will be rendered by the Board of Education at their next regularly scheduled meeting. The grievant will be notified in writing of their decision within ten (10) working days after the Board of Education's action. This procedure in no way denies the right of the grievant to file formal complaints with the Missouri Civil Right Commission, the Office for Civil Rights or other agencies available for mediation or recertification of rights or grievances, or to seek private counsel for complaints of alleged discrimination.

**COMPLAINT RESOLUTION PROCEDURE FOR NO CHILD LEFT BEHIND PROGRAMS**

A complaint is a formal allegation that a specific federal or state law or regulation has been violated, misapplied, or misinterpreted by school district personnel or by Dept. of Education personnel. Any parent or guardian, teacher, administrator, school board member, or other person directly involved with an activity, program or project operated under the general supervision of the Department may file a complaint. Such a complaint must be in writing and signed: it will provide specific details of the situation and indicate the law or regulation that is allegedly being violated, misapplied, or misinterpreted. The written, signed complaint must be filed with the central office and the resolution pursued in accordance with district policy. If the issue cannot be resolved at the local level, the complainant may file a complaint with the MO Dept. Education. If there is not evidence that the parties have attempted in good faith to resolve the complaint at the local level, the Department may require the parties to do so and may provide technical assistance to facilitate such resolution. Any persons directly affected by the actions of the Department may file a similarly written complaint if they believe state or federal laws or regulations have been violated, misapplied, or misinterpreted by the Department itself. Anyone wishing more information about this procedure or how complaints are resolved should contact the office.
