### **Subject: Final Results of Wellness Policy Assessment**

Dear Parents/Guardians, Staff, and Community Members,

We are pleased to share the **final results of the Wellness Policy Assessment** for the Success R-VI School, conducted in accordance with the **Healthy, Hunger-Free Kids Act of 2010**. This triennial assessment helps us evaluate our progress toward creating a healthier school environment and meeting the goals outlined in our Local School Wellness Policy.

### **Key Findings:**

- **Nutrition Promotion & Education:** Each classrooms received nutrition education from the MU Extension Office
- **Physical Activity:** K-5 students receive 60 minutes of physical activity per day.
- **School Meals:** Meals meet USDA standards.

### **Areas for Improvement:**

- Increase staff training on wellness policy implementation.
- Wellness activities for students and staff.
- Improve parent engagement in wellness initiatives.

We appreciate the support of our wellness committee, staff, families, and community partners in this important effort. Your continued involvement helps promote lifelong healthy habits for our students.

Sincerely,

Stephanie McKinney  
Superintendent
